

Welcome to Transpo-Aid

An app where you can report all
your transportation desires to your
local community

Whether you are commuting to school, work, or
are just a member of your community you
should be able to advocate for better
transportation for everyone

Click here for

public
transportation
information

Parking Concerns

Please Enter your city
name and area you are
concerned about here

Now please list your concerns whether it is
where available parking is or if you'd like to
advocate for a specific change.

Traffic Concerns

Please Enter your city
name and area you are
concerned about here

Now please explain your issue and how it
affects your personal life. This will allow us
to advocate for a solution that is meaningful
to many people

Public Transportation Concerns

Please Enter your city
name and area you are
concerned about here

When it comes to public transportation their
are many places not accounted for, can you
please explain your issue and how your city
can help provide you the services you
deserve
